34th Annual Season

...from the Maestra...

It's no *secret* that the Southeastern Ohio Symphony's 007 concert season is a spectacular one! And we're so grateful for the generous support of our patrons and sponsors, we are offering the opportunity this year to share our wonderful music with many more music-lovers, by encouraging everyone to double up on their pledge and by bringing along an additional friend or family member to increase our membership.

Your support will make a tremendous difference in the continued growth and excellence of the symphony and our fascinating variety of programs, and we thank you for your loyalty and generous participation!

Together we can assure that our symphony is no *secret* agent...and keep the music playing just like diamonds--forever.
